Hi Guys, This letter is intended to express our thanx and appreciation for the service rendered by law offices of Rajiv S.Khanna. For your information: I work as a research scientist at Science Applications International Corporation where I do some active research in atmospheric modeling. I got my green-card stamping done sometime last month. It took us about a year and half for the complete processing of GC. My experience with the law offices of Khanna has been a very pleasant one. There was no pressure from the start and at every stage I was confident that the law offices of Khanna would do its best to see us thru' this otherwise complex process. I hardly did any book-keeping. Rajiv Khanna and his able crew made the sailing very simple. I would strongly recommend the law offices of Rajiv S. Khanna to potential immigrants. One statement about Mr.Khanna: I found him to offer the correct advice at the right time without any exaggeration. -Gopal
