If my company applies EB1

If my company applies EB1 ^[1]

If my company applies EB1 this month (Aug, 09), and everything goes well, by when should I expect my green card? What are the disadvantages of applying under EB1?

ANSWER:

Too many variables. IF the priority dates remain current AND IF *USCIS* follows its average processing times and IF you file *I-140* premium processing concurrently with your *I-485*, you MAY get green card approval within one year. I see no disadvantage.
