I entered the US with my mom in 2005. I was underage then. My visa B1/B2/BCC expires in Oct of 2010 and my permit I-94 expired in December of 2007. I am now 20 years old and I am married to the love of my life and he is a US citizen. I want to know what I can do. What files and forms will I need?

ANSWER:

You should be able to get your green card. Do not travel outside USA until you do. I would suggest getting a lawyer.
