Job description for the EB-2

Job description for the EB-2 ^[1]

Submitted by Chief Editor on Jan 20th 2011

I've been working for the company that is sponsoring my green card for the past 2.5 years and some of the experiences/skills required in the Job Description were acquired working with this company. Is it valid to include those skills on the Job Description? Should I have acquired those skills before?

ANSWER:

It is possible to use the after-acquired skills only if the job in the past and the green card job are more than 50% different.
