## **N-400 Petition Where Applicant Remained Outside U.S. for More than 400+ Days** <sup>[1]</sup>

Submitted by Chief Editor on Mar 26th 2009

We filed an applicant's N-400 Petition for Citizenship where the applicant was out of the US for 400+ days. USCIS issued a RFE requesting information about the applicant's stay outside the United States without the requisite N-470. We were able to provide several arguments justifying the out of country stay, demonstrating that the applicant had no intention of abandoning US Permanent Residency.
